## Day of Dance 2017

### Picture Day, May 7, 2017

Picture Day is Sunday, May 7 and will be held at the Studio. It is an opportunity to have professional photos of your dancer in costume, both individually and with the entire class. If you do not wish to purchase photos, we would appreciate it if you would still attend the photo session so both the studio and other dancers can have a picture of the entire class. If you feel that your child would be uncomfortable having his/her picture taken in a group setting (one that can feel somewhat unfamiliar and hectic), then feel free to skip Picture Day. Please note for personal safety and because of the expensive equipment, the photographers do not allow parents in the studio with their child. Please make your child aware of this. If this will distress your child, please feel free to skip Picture Day.

Picture Day usually runs very smoothly and we often find ourselves either on time or ahead of schedule! Please be on time...in costume, hair done, and no make-up. If taking photos for more than one class, please bring all costumes with you. Dancers in multiple classes requiring a costume change may change in the dressing room. All other dancers must arrive in costume.

**Be Prepared!** Order online or complete the attached envelope, which lists the Photo Package Options, PRIOR to arriving at the Studio on Picture day. DO NOT drop off forms before Picture Day.
